An advertisement for LuvuDeva eye masks. The background is a close-up of a young woman with blonde hair in a braid, looking directly at the camera. A white eye mask is partially visible on her face. In the bottom left corner, there are two boxes of LuvuDeva Bio Cellulose Masks and a single white eye mask. The text "Unmask the Beauty" is written in a red, cursive font, and "Get rid of those bags under your eyes!" is written in a white, sans-serif font below it.

Life Insurance

5 reasons you should buy Term Plan NOW!

- 1 IS ALL THE RISK WORTH IT?**
Buying a Term Insurance helps manage risks better. It's better to be safe than sorry.
- 2 TERM PLANS ARE QUITE AFFORDABLE**
Getting a cover of 1 crore could be as low as paying the 15 per day. Almost the same as getting a pack of chips or biscuits.
- 3 KEEPS YOUR WORRIES AT BAY**
Loans and liabilities you have taken could be a burden on your loved ones. But with a long-term plan, it can help ease it.
- 4 PREMIUMS GROW WITH AGE**
You end up paying a higher premium for the same cover as you grow older. Better to get one now and avoid paying more.
- 5 FOR TAX BENEFITS**
Insurance premiums and investments carry tax benefits under Section 80C of the Income Tax Act, and you can also claim a deduction.
